RE: Letter of Notification of Ecuity Advanced Communications, Inc. (f/k/a Ecuity Holdings, Inc.) Regarding the Planned Transfer of Subscribers, Pursuant to CC Docket No. 00-257

Dear Ms. Dortch:

Ecuity Advanced Communications, Inc. ("Ecuity," f/k/a Ecuity Holdings, Inc.), by its regulatory consultants and pursuant to the Federal Communications Commission ("Commission") streamlined notification procedures¹ under to 47 C.F.R. §64.1120, Verification of Orders for Telecommunications Services, subsection (e), as amended,² hereby notifies the Commission of the transfer of subscribers from Fox Communications Corporation ("Fox") to Ecuity

Pursuant to 47 C F R. §64.1120(e)(1), Ecuity notifies the Commission of the following:

The names of the parties to the transaction. The parties to this transaction are Fox Communications Corporation, the selling carrier, and Ecuity Advanced Communications, Inc., the acquiring carrier.

¹ In the Matter of 2000 Biennial Review – Review of Policies and Rules Concerning Unauthorized Changes of Consumers Long Distance Carriers, Implementation of the Subscriber Carrier Selection Changes Provisions of the Telecommunications Act of 1996, Policies and Rules Concerning Unauthorized Changes of Consumers Long Distance Carriers, CC Docket Nos. 00-257, 94-129, First Report and Order in CC Docket No. 00-257 and Fourth Report and Order in CC Docket No. 94-129, FCC 01-156 (rel. The types of telecommunications services to be provided to the affected subscribers. Ecuity proposes to offer a variety of international, domestic interstate interLATA toll, and intrastate interLATA toll services throughout the United States, initially originating in the States of Washington and Oregon.

The date of the transfer of the subscriber base to the acquiring carrier. The intended date of the asset transfer from Fox to Ecuity was on or about February 15, 2004. Ecuity acknowledges that the instant notice is in non-compliance with 47 C.F.R. §64.1120(e)(1), which imposes an obligation on the acquiring company to file a notification letter with the Commission providing the information contained herein; “[N]o later than 30 days before the planned transfer of the affected subscribers from the selling or transferring carrier to the acquiring carrier. .” Ecuity respectfully requests that the Commission nevertheless accept the instant notice on the basis that no subscriber’s service has been adversely impacted by the transaction, and remains unaffected by the asset transfer.

Affected subscribers received no less than 30 days notice of the asset transfer, pursuant to 47 C.F.R. §64.1120(e)(3), as noted below, and evidenced by the attached customer notice provided jointly with the selling company, Fox. Further, subscriber rates, terms, and conditions have remained unchanged through the asset transfer, effectively making the transaction transparent to subscribers, save the change in service provider. Customer service representatives have remained available to subscribers to respond to any inquiries related to service and the asset transfer, and additional information has been made to subscribers through company web sites.

This delay in notification was necessitated by operational exigencies that diverted the full attention of the company’s limited resources toward ensuring a smooth transition of service for former Fox subscribers. The Company now wishes to bring itself into full compliance with Commission rules. Ecuity regrets its untimely compliance, and respectfully requests that the Commission accept the instant notice.

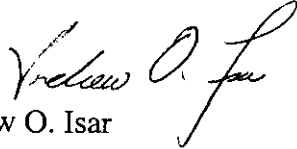

Ecuity certifies compliance with the requirement to provide advanced subscriber notice of the pending acquisition pursuant 47 C.F.R. § 64.1120(e)(3), a copy of which is enclosed, and compliance with statutory and Commission requirements that apply to the Commission’s streamlined asset transfer procedures. Ecuity avers that it will provide the Commission with written notification of any material changes to the above information no more than ten (10) days after the transfer date.
